What Makes A Good Parent?!

If you are an adult, and you want to find out how to be a good parent, you might as well carry on, because here is the Recipe for the perfect parents. If you will follow the instructions carefully, you will be the ideal parent for your future children.

Ingredients for a Parent:

Perfect

4 cups of kindness

A pinch of cheekiness.

7 bowls of letting your kids stay-up-late.

A teaspoon of cheekiness.

A 3 spoons of humor.

A weeny tiny hint of strictness.

Niceness oil.

Method:

Take a huge bowl, and pour all the cups of kindness in, while adding in the cheekiness, stir them well.

warning: The faster you stir, the more cheekier it will come out.

Take four bowls of the letting-your-kids-stay-up-late, and pour it into the mixture, you should have a soft sticky mixture now. Take the teaspoon of cheekiness, pour it in along with the 3 spoons of humor, and mix as hard as you can. Take the remaining 3 bowl of letting-your-kids-stay-up-late and pour it in slowly. Take the hint of strictness and put it in immediately, to stop the air from making it more strict. Take the whole mixture, (It should be doughy) and put it on a tray, lightly covered in niceness oil, and put it in the oven for 9 hours, at a heat of about 100°, and wait. When you take it out, let it cool down for 2 hours, and behold! the perfect parent!
